**ONE EIGHTY COMMUNICATIONS
AMENDMENTS TO SB 3**

(grey b/m)

Language amendment-

Replace Qwest proposed New Section 1. 69-3-305(5)(a)(i) "Unless otherwise established by the Commission in a rule making, a provider of regulated telecommunications service may offer, for a maximum of 90 days, rebates, price reductions, or waiver of charges in conjunction with promotions, ~~market trials, or other sales-related activities that are common business practices.~~ Promotional pricing for services other than basic local exchange access to end users does not require advance approval of the commission."

Amend Qwest proposed New Section 2. 69-3-803(8) with a definition of "Optional Service":

"Optional Service means any service the Commission has determined need not be regulated under ARM 38.5.2705 and therefore is a competitive service under MCA Section 69-3-811."
